

TABLE OF ACHIEVED / PLANNED RESULTS

<u>Title and reference number of the work package (WP)</u>	WP6: Dissemination, Exploitation of results, and sustainability
---	---

<u>Indicators of achievement and or/performance as indicated in the project proposal</u>	Conducted events, produced reports and dissemination material
---	---

Activities carried out to date to achieve this result:

Activity N°	Activity Title	Start date	End date	Place	Description of the activity carried out	Specific and measurable indicators of achievement	Status
6.1	Developing a dissemination and exploitation plan	15-06-2016	30-08-2016	Italy	Dissemination plan has been produced. Dissemination focused on three main threads : <ul style="list-style-type: none"> • promoting innovation culture in the Jordan universities (through workshops and informative material dissemination), • linking universities with the business sector (through e-participation events as ETM), • fostering the entrepreneurial attitude of young people (through the website hosting a repository of information on innovation models and toolkits for developing business ideas). 	Dissemination plan produced; Nr. 1	Completed
6.2	Elaboration of	01-09-	15-10-	Italy	The project image has been	Leaflets and promotional	In progress

	project image and dissemination materials	2016	2016		<p>elaborated. Main tools designed were:</p> <p>The project logo to track documents, deliverables, etc.</p> <p>The coordinated layout for the information campaign to increase visibility for the project and the partnership.</p> <p>The leaflet to inform stakeholders on events and contribute to awareness-raising on innovation and entrepreneurship.</p> <p>Other tools designed: headed paper, folder, poster, rollup, power point template.</p> <p>Three edition of the newsletter have been produced.</p>	materials disseminated; Nr. 3000 Newsletters; Nr. 3	
6.3	Organizing workshops and info-days	15-10-2016	30-04-2017	Jordan	An info day was conducted on 4 th October to disseminate the project for students and academic staff at the University of Jordan.	- Workshops and info days organized; Nr. 10 Number of participants; >800	In progress
6.4	Organizing an Electronic Town Meeting	01-09-2016	30-10-2016	Jordan	ETM took place in Amman on 17th October 2016. A training session was conducted for JO partners staff (moderators and rapporteurs) on 16th October 2016, to train on the ETM meeting methodology. The 56 invited participants represented most of the stakeholders of the project. The INVENT ETM event was	ETM organized; Nr. 1. Stakeholders participated in the ETN; Nr. 57.	Completed

					<p>divided into 5 discussion sessions and the participants were allocated to 10 Separate discussion tables, participants on each table should be from different background to heat the debate.</p> <p>Each session had different debate title but in the same time related to general theme. During each session the participants were asked to express their opinion in electronic polls related to the session.</p> <p>After the last session the Event Manger summarised the Instant Report to the participants together with the polls results and the main conclusions and outcomes of all debates and discussions</p>		
6.6	Developing a sustainability plan	01-02-2018	31-08-2018	Italy, Jordan	<p>The sustainability plan was developed. According to the developed plan, key stakeholder groups will include future programme funders, policy makers, enterprise networks, business districts.</p> <p>The partnership will raise awareness among territorial stakeholders about the opportunity offered by the deployment of innovation networks between R&D performers and private players to generate technology transfer flows, knowledge-based companies and more qualified jobs for young people.</p>	Sustainability plan developed; Nr. 1	

					<p>Mapping in a database the stakeholders interested in the project results will customize the approach, get them actively involved through ongoing consultation and prepare follow-up actions under the end of EU funding.</p> <p>Thematic meetings with policy makers will be used to show the lessons learnt, the benefits gained and the return on investments of innovation in the academic system and joint actions gathering public and private actors.</p> <p>Memoranda of Understanding will be drawn up and signed by local authorities, higher education institutes, business communities and research/innovation centres to foster technology transfer and innovative entrepreneurship.</p>
